Sir:

In response to the Office Action dated September 20, 2001, paper number 6, in the subject patent application, the following amendments and comments are submitted and reconsideration of the claim rejections is respectfully requested. A one month extension, an Information Disclosure statement and the requisite fee authorizations are further provided in conjunction with this Amendment.

IN THE SPECIFICATION:

Please replace the existing title "DELETE AND UNDELETE FOR RECORDABLE DVD EDITING" with the following title: "METHOD AND APPARATUS FOR EDITING ON A REWRITEABLE DISC MEDIA"

IN THE CLAIMS

1. (Amended) A method for editing a recorded series of bits on a rewritable disc media comprising:

selectively identifying a beginning point and an end point of a segment of said recorded series of bits to be deleted;

modifying a first jump command in a control data portion of said disc, said first jump command for causing playback from said disc to continue at said end point when reading in a forward direction; and

modifying a second jump command in a control data portion of said disc, said second jump command for causing playback from said disc to continue at said beginning point when reading in a reverse direction.
